BILL BROTHERS

PRESIDENT'S MESSAGE

Many thanks to Virgil Hancock and the Houston people for putting on another real fine TNA convention. This issue will carry the complete story and those of you who did not attend really missed something special. The education program and exhibits were the best ever. The 1971 convention will be in Amarillo and it is not too early to make plans to attend.

✧

Any city or club who would like to have the 1972 convention should let me know as soon as possible. The TNA Board has voted to change the standing rules where as the convention facilities do not have to be in the same building as living quarters but must be conveniently located. If you have such a place in your city let me hear from you now.

✧

The Board also voted to reimburse each club $1.00 admission fee for its junior members who wish to become TNA members. So sign up the juniors in your club for TNA and TNA will refund your club $1.00 thus costing juniors the $1.00 membership fee only. District 11 has already done this and they have 25 juniors for TNA. This is really great and this is only the beginning.

✧

My company has transferred me to Ft. Stockton and my mail has been about two weeks late getting to me, so if you are expecting to hear from me, don't give up – Uncle Sam will surely come through. My new address is P.O. Box 1900, Ft. Stockton 79735, phone AC 915 336-8380.

COIN SHOW

Amarillo: HOST for THE ANNUAL TNA CONVENTION IN 1971

REPORTS OF OFFICERS

FROM THE FIRST VICE PRESIDENT: Roger L. Earwood

The past year has made one thing very clear to me - TNA must make funds available to be spent in helping its members coin clubs secure speakers and qualified persons to better the clubs' programs. TNA also should encourage its member clubs to have a member visit their local Scout headquarters and get a list of troops, packs, etc. then call the unit leaders to make arrangements for Scouts to learn and earn their coin collecting badge.

A bit of research will show that had it not been for the funds raised through TV sets, gold sets and TNA medals, our coffers would still be in starvation status. On December, 1968 balance was a mere $1,201.60 and March, 1970 around $7,000.00. When the additional funds from the 1970 convention are added, TNA will at last have a sound financial base from which it should be able to help local clubs finance excellent programs which in the long run will further numismatic knowledge and and TNA.

I feel that the TNA medal programs should be continued the low mintage of silver medals maintained and owner's records should be kept as has been done the past two years. However, the bookeeping connected with the TNA medal set owners is becoming very complicated. When a set number is sold and both present and past owners want that same number in the next issue then someone is going to get their feelings hurt. The board needs to make a decision in this matter.

We must thank three dedicated numismatists, who spent much time and a whole lot of effort this past year, namely, TNA News editor - Miriam Gilmore; librarian - Wally Gilmore and convention "DO EVERYTHING" - Virgil Hancock! My thanks also to the hard-working and dedicated officers and members we are so fortunate to have. I sincerely thank all of the TNA News advertisers for their continued support.

It would be my desire that in the near future that TNA have a budget to follow to better serve its members. The TNA secretary's work is almost a full-time job, this is one of the most important jobs as well as the most thankless in the organization. I think TNA should find some way to make this a salaried position within its budget. I will close by adding that TNA has been most fortunate to have had as its head the most enthused person that I know - THANK YOU BILL BROTHERS!

✧

FROM THE SECOND VICE PRESIDENT: Lyman C. Bartee

The year ending with this convention has been more rewarding to me personally than I have been able to give in return.

In hopes of building a larger membership in TNA, the V. I. P. contest was continued this year. I have attended the ANA convention as official representative for two clubs, have attended several coin shows in various parts of Texas, have served on three committees of TNA, was chairman of one. Hosted one meeting of the TNA Board, served as general chairman of the 10th Annual Money Mart for the Austin Coin Club at which time Herbert Bergen, ANA president, made his first official visit to a coin show after taking office. Have secured five members for TNA since the convention in Ft. Worth. Also have served as secretary-treasurer of Austin Coin Club.

DISTRICT THREE: Fred Clark

First for having had the honor to serve as district governor for District Three of TNA I wish to thank the members for the support and cooperation they have given me. It is most pleasant to work with such a wonderful group of people. May we continue to grow in the up coming year.

I have visited every club in the district as many times as I possibly could. To my memory I have only missed five meetings for the year. Two for the Key City Coin Club Abilene. One for Nolan County Coin Club, Sweetwater. Two for the Big Spring Coin Club, Big Spring. None at San Angelo Coin Club as this is home base and a bit easier to make it on time. The Coleman Coin & Stamp Club is inactive and does not hold regular meetings. May things be in the up coming year that I will not have to miss any of the regular meetings.

All clubs in the district have shown good increase in members during the past year. This is good for numismatics in general and most pleasing to the hobby. The Big Spring club is to be commended in a special way as at their March meeting they had 18 juniors present. Of this the larger part are members in good standing of the club. Also there were over 15 new members for TNA the bigger number of these from the Key City club. May they be the first club in the state to be a 100% TNA membership. It would really be great for District Three to have the honor for such a club. The total new members for TNA exceeds the drop outs but not as much as we could work for in the up coming year. I am sure that some of the members who have not paid their dues will very soon so this will be a lot better.

One of the projects we are working on is to meet more collectors in our immediate area. One way to do this is to hold joint meetings between area clubs. This was done very well the past year and I trust it will continue in the forthcoming year. Some real nice friendships and valuable information on numismatics are made at these.

Looking for a big and jolly up coming year.

✧

DISTRICT FIVE: Charles A. Wingo

Shortly after returning from the 1969 TNA convention I received a nice letter from the Mesquite Coin Club containing an honorary membership card and inviting me to visit them at my earliest convenience. As a result, the Mesquite club was first on my list of visits. I also visited the following clubs during the year: The Big "D" Coin Club, the Dallas East Coin Club, the Grayson County Coin Club, the Greenville Coin Club and the Fort Worth Coin Club. I also accepted an invitation to be present at the Christmas party and installation of officers at the Mesquite

club.

The Waxahachie Com Club renewed its membership in TNA and the Greenville club joined shortly after my visit in November. This Greenville club is going places — it has lots of enthusiasm, energy, determination and leadership to do things, so I know we will be hearing a great deal about their accomplishments during 1970.

It has been a privilege to serve the District V clubs as governor during the past year and I have profited greatly by acquiring new knowledge and new friends. I hope I have been some help to them. I look forward to visiting the other clubs in the district during this year and to revisit those I visited last year.

✧

DISTRICT SIX: T. G. Brown

I was unable to attend the September board meeting in Austin due to a death in my wife's family.

During the year I have visited five of the clubs in District Six and have made talks before four of them. The Beaumont club seems to be one of the viable clubs in the state with a paid membership of 150 and an average attendance of 62-70 at their monthly meetings.

The Port Author club, which was on the verge of being disbanded a year ago, is now active again, meeting regularly and with an average attendance of some 18 to 25 members monthly.

The Orange club, which disbanded in 1968, is still inactive, but we are making efforts to revive it.

All the other clubs in the district seem to be doing well.

I received the latest list of delinquent members in TNA from the secretary and am in the process of contacting each one of them either in person or by mail.

We are looking forward to a revival of activities in 1970.

DISTRICT SEVEN: Ray Whyborn

21 May 1969 Assumed office as TNA Governor, District VII

31 Mar 1970 Prepared one and for

warded two club notices to TNA News.

NOTE. Attended 58 club meetings and numerous coin shows since elected Governor of District VII.

✧

DISTRICT EIGHT: John L. Chisum

I have attended 26 coin club meetings excluding my home club, four coin shows and have given five programs.

I traveled 4100 miles visiting every club in my district except one and I am a member of each club in my district expect one.

This all sounds good but I have two clubs that have not paid their 1970 dues and 10 members who have not paid their 1970 duese. I fell sure that most of these will pay their dues in the near future.

(Since writing this report I have collected dues from the two clubs and from one member.)

✧

DISTRICT NINE: D. O. Joplin

I have missed only two club meetings in the district for the year due to ice and snow on the roads.

Signed nine new members to TNA attended club shows at Clovis N. M. Levelland Littlefield, Lubbock and Amarillo. Also attended the TNA convention and semi-annual board meeting.

✧

TNA NEWS EDITOR: Miriam Gilmore

The TNA News maintained 800 to 900 copies printed monthly by publisher, Banner Printing Co. in Brownwood. Other information and financial matters pertaining to the News is carried monthly in the publication.

✧

LIBRARIAN: Wally Gilmore

From April 1, 1969 to April 1, 1970 there were 63 requests filled for slide sets. There are 238 books in the library.

Several donations of slide sets and books during the year were made which were noted monthly in the TNA News.

✧

YOUTH CHAIRMAN: Mary Jane Whyborn

I have always felt that appointive offices in any organization were just as important as elective ones, because such appointments are an expression of faith in an individual by the president, who represents the membership that did elect him. I have taken my appointment as Youth Chairman very seriously and I feel that, within my limited capabilities, I have earnestly tried to do a good job. If only my success had equalled my desire to succeed in stimulating the youth of TNA, this report would be a great deal easier to write.

24 May 1969 Assumed appointive office of TNA Youth Chairman.

2 Jun. 1969 Prepared first "Junior Readin' Roundup." Requested letters from each Junior telling a little about himself, and also requested ideas for a youth program. NO RESPONSE

30 Jun. 1969 Prepared and mailed congratulatory letter to Richard Ricketts, Junior member in Corpus Christi, for winning ANA's Junior award for his National Coin Week project. Asked that he send me some information on himself and his project for publication in TNA News. NO RESPONSE

2 Jul. 1969 Prepared and mailed "Junior Readin' Roundup."

Jul. 1969 Attended several coin clubs in Southern California while on vacation. Gathered material for column.

3 Aug. 1969 Prepared and mailed "Junior Readin' Roundup" based on young collector I met on vacation.

30 Aug. 1969 Prepared and mailed "Junior Readin' Roundup."

28 Sep. 1969 Attended TNA Board

Meeting held during Austin Money Mart.

25 Jan. 1970 Received reply from Virgil Hancock granting my request.

4 Feb. 1970 Prepared and mailed "Junior Readin' Roundup" announcing "JUNIOR CORRAL."

4 Mar. 1970 Prepared and mailed "Junior Readin' Roundup."

3 Apr. 1970 Prepared and mailed "Junior Readin' Roundup."

HISTORIAN: Mary L. Earwood

In closing my first year as your Historian I can not say that I am very proud of our scrapbook. The TNA scrapbook should be a history log about the organization for that year. Ruby Threlkeld did such a marvelous job, she must have pulled eye teeth as well as a few wisdom, to get all the material she accumulated. I see by back issues of the TNA News she continually shamed people for not sending in more news for the history book.

Corpus Christi, Beaumont, San Antonio and Wichita Falls sent material monthly. District Governor Joplin and Mrs. Howard of Wichita Falls were very faithful about sending in material all of which is evident by looking at this year's scrapbook. The point is if all districts would send in material as the above mentioned did, our TNA history would be complete. Our scrapbook can be only as good as you the members make it.

JUNIOR READIN' ROUNDUP

By MARY JANE WHYBORN
San Antonio, Texas
Youth Chairman

It looks as if this will be the biggest year ever for juniors in TNA; at least, we're starting off with a bang! I left the TNA Board meeting at Houston on April 11 with my ambition and enthusiasm so greatly renewed that I can once again believe there is no limit to what young collectors can do toward the furthering of numismatics in the State of Texas. After all, TNA has taken two giant steps on your behalf, all you have to do is respond.

First of all, if your local club will pay the $1.00 admission fee for all new Junior TNA members who join through that club, TNA will return the admission fee to the club. All the club has to do is send a bill to the TNA treasurer, Stanford Kennedy, so that he can keep the financial records in order. We are hopeful that the TNA member clubs will sponsor all of their junior members between the ages of 11 and 18 for membership in TNA, even to the extent of paying their first year's dues if necessary. Secondly, the Board gave me 150 of the bronze TNA medals to be used for promotion of a youth program. I will send one of these medals to each new junior member as I receive their membership cards from the TNA secretary. I will forward the membership card with the medal. These beautiful medals were designed by our second vice president, Roger Earwood, to commemorate the 14th TNA convention at Fort Worth in May 1969.

Already this program for recruiting new Junior members is showing tremendous results. All of the juniors in my home club who meet the age requirements are TNA members, or have applied for membership. I have received a most welcome letter from Fred Cornelius of the Amarillo Coin Club advising me that the clubs of the Panhandle, District XI, have all voted to pay the membership for all junior members. This means that 25 young collectors have just applied for membership in TNA. This is the greatest news I've had since becoming TNA youth chairman. Not nearly as many young collectors as I had hoped for stopped by the Junior Corral at the convention in Houston, but it was nice meeting the ones who did. I am already looking forward to setting up the Corral in Amarillo next year and meeting all of the young collectors of the Panhandle.

Junior exhibits were extremely scarce at the convention, I'm sorry to say. However, four Junior members from the Greater Houston Coin Club prepared an exhibit which won the award for the Best Club Exhibit. Our most frequent junior exhibitor (and most consistent winner, I might add), Neal Nichols of Houston, came away with the beautiful Junior Best of Show award. Neal has won awards for his exhibits in Houston, Fort Worth, Austin and Corpus Christi just to mention a few. Neal's mother, also a collector and fine exhibitor, tells me that his sister Cathryn, although not an avid collector like her mother and brother, won the first place award at the Curriculum Fair at her school. Cathryn prepared an exhibit of coins entitled, "Eight Kings of Denmark." Her sixth grade class had studied Denmark in social science. This exhibit also won a beautiful Meritorious Award for Cathryn at the Co-

A.N.A. Representative

You do read "from the President's Desk" in every issue of **The Numismatist** I trust. The most recent is very encouraging, pointing up achievement of a balanced budget, marked membership growth, indicating recovery of the hobby from the coin investment boom and decline; and progress on several projects.

Soon you will be able to get a book from the 3,000 titles in the ANA Library simply by sending in the subject you are researching. Everything will be grouped according to topic in the card-index file according to Mrs. Emily Cox who is doing the work. That library is yours; use it!

You have doubtless been excited by the increased number of applications for membership in ANA listed in the April and May issues of **The Numismatist**. One of the members of our board of governors has a special enlistment campaign going which perhaps shows up the rest of us as not as diligent as we might be in encouraging others to join the association.

Membership in ANA is looked on as a recommendation of the member to those he meets and with whom he chooses to do business. There are some very few "stinkers" who will take advantage of this fact yet not be true to the Code of Ethics printed in the application folder they sign. No one governor can be expected to know about all these applicants from across the country. It is the responsibility of each member to run down the list of applicants each month and report to the office of the executive director any he knows who have not lived up to the code. Only then can we be satisfied that we have done our part to assure that ANA membership is really meaningful, a special privilege for those who deserve it.

In the report of the mid-year board of governors meeting in the May **Numismatist** we call special attention to election changes providing that future candidates for the board must (1) have been members of the association at least 3 consecutive years prior to nomination, (2) have a minimum of 5 clubs and 5 individual nominations and (3) have nominations in to headquarters between February 1 and April 15—neither earlier nor later. There's no election this year but "the mills of the gods grind slow . . ." and the months fly!

The months fly!—and it's only two until the convention. The medals are beautiful, plans sound exciting. Make your reservations and your plans. "Meet me in St. Louie . . . y'all."

JUNIOR READIN' —

(Continued from page 15)

pus Christi Coin Club Show in March. I hope that all this will increase Cathryn's interest in coins and that we will be hearing much more from her in the future.

All of you had better get busy recruiting new junior TNA members. The clubs of the Panhandle already have set a good example for all of you to follow. I want to be able to announce even more junior members in next month's column. There are several of our junior members who would like to have a junior TNA Show which would be sponsored, planned, and put on by the junior members exclusively. It will take a large junior membership to make such an undertaking anything more than just a "good idea." So, let's get going! Enlist the aid of the officers and members of your local club. I am hopeful that, at some later date TNA will be able to lower the minimum age for a junior member from eleven to nine, or even eight. I find quite a few enthusiastic collectors who are only eight or nine years old. If we all work together, there's no reason why we can't have 100 paid-up junior members in TNA by Christmas.

MARK THE DATE!

Joe B. Davis showed coins, medals, "billetas," pictures, books, magazines and told the story of "Pancho" Villa, controversial bandit-hero of Mexico. He said it depends on who you are reading or listening to as to the story you get of either a Mexican "Robin-hood" or a ruthless villain.

At the April 27 meeting 21 members were present.

Richard Long, presenting "The Problem of Counterfeiting," said, "Counterfeits are phonies made by someone who is desperate." He listed 2 types: (1) "contemporary counterfeits," those made for circulation, usually in the wrong metal and very crude, and (2) those made for collectors - modern counterfeits of old coins.

Long said most collectors work with only one or two series at a time. He recommended spending time enough talking with a knowledgeable dealer to learn the details to watch for in the keys and known counterfeits. He assured his listeners that they would have great effect against counterfeiting if they would inform themselves about their own series, refuse to patronize known questionable dealers or those offering too good bargains, and encourage others to follow their examples. —**Norma Mather, Sec.**
